Ruby Hub 2026/2027

CONTACT US **ADMIN@_____PRIMARY.ORG.UK** 21st September 2026

Things to know...

Attendance

Attendance is looking strong at all four of our schools so far. Where children have missed more than 10% of school we may be in contact to see if there is anything we can do to support.

Clubs:

All clubs are listed on School Gateway. Please ensure these are booked.

Peripatetic Music Teacher:

Sue will be coming into Bridgerule on Monday and Highampton on Tuesday so the children can experience trying a musical instrument.

Mr Bridge's update

Welcome Back...

What an eventful week we had last week as the students really got back into the swing of learning routines. We had our Year 6s attempt their first practice SATs papers whilst our Reception children did their baseline assessment which helps us know how to help them best! We are looking forward to showing you their early work in Parents Evening on the 30th which is available to book from tomorrow.

Open Days for Secondary School:

Upcoming Events

Here are the next few events in our school calendar...

SEP 25TH — FIRST CELEBRATION ASSEMBLY

SEP 30TH — PARENTS EVENING

OCT: TBC — Parent Workshops

OCT 23 — Individual School Photographs

Please ensure that lunches are booked by 9.30am on the day.

Ruby Hub Values

We act with integrity,
we show kindness
and we are courageous.

Accelerated Reader

Reading is a huge focus for us and we know that when children complete RWI it can be slightly harder to keep a track of what they are reading at home.

Therefore, we have introduced Accelerated Reader. Children will be bringing home a book with a label on the side which will be an appropriate level for them (based on an initial test they have completed) . Once this book has been completed they can do a quiz on this book. If they consistently score over 85% we will know it is time to move them on to the next stages.

Please check your child is coming home with this book from this week onwards, if they have completed Read Write Inc.
