Please ensure you have booked your time for parents evening on Wednesday.
If you have any trouble booking please contact Hannah in the office.

Peripatetic Music Teacher:
I hope you all received the letter from the Music Teacher who will hopefully start teaching with us in the coming weeks. Instruments can also be hired at a very minimal cost whilst your child is learning the instrument.

We think it is very important that we give you as much notice as possible for Christmas performance dates as well as other events. Please find these on Dojo to book into your diary.

Mr Bridge's update

Three weeks in...

Last week was a really enjoyable week in school. We had our first celebration Assembly with our new awards based on our values of Integrity, Kindness and Courage. Thank You to all those parents who were able to attend. For all new parents, should your child be due to receive a reward, you will be invited the day before via email to join us for our 3pm assembly.

EYFS open days
During late October and early November we will be hosting our EYFS open afternoons for prospective parents. Recruiting new pupils is crucial for our schools for their long term stability. Please share the posters on Facebook as widely as possible. Should you wish to have paper copies to advertise across the community, please let us know and we will provide these.

On that note **CENSUS** day on Thursday is also crucial for our schools so please support us by having a school meal if you are able to.

Thank You - Mr Bridge

Accelerated Reader

Reading is a huge focus for us and we know that when children complete RWI it can be slightly harder to keep a track of what they are reading at home.

Therefore, we have introduced Accelerated Reader. Children will be bringing home a book with a label on the side which will be an appropriate level for them (based on an initial test they have completed) . Once this book has been completed they can do a quiz on this book. If they consistently score over 85% we will know it is time to move them on to the next stages.

You also may have heard that for any child who reads 100 times at home this year, there will now be a gold reading badge awarded for this achievement.
